March 5, 2013

Dear Hunter Mill Friends,

We had a short Board of Supervisors meeting to take care of a few business items before concentrating on the challenges of this year's budget. We had a discussion on setting a tax rate that would mark the upper limit to this year's rate – we cannot go above the advertised rate but can go below the advertised rate. For FY2014, we decided to stick with the County Executive's recommended rate of \$1.095 (per \$100 of as assessed value).

As we brace ourselves for the coming winter weather, please note the following contact information to help with getting things back to normal:

VDOT Snow Removal: Virginia Department of Transportation is responsible for snow removal on most of our roads. To report snow plowing situations, call 800-367-7623, or novainfo@vdot.virginia.gov

VDOT's Snow Plow Tracker at <http://novasnowplowing.virginia.gov/> provides a look where the snow plows are working and where the streets have been cleared. Keep in mind that the secondary/residential streets are worked after the main thoroughfares have been cleared.

Dominion: For reporting outages, downed wires or poles, call 1-866-366-4357. Or, report service interruptions or check on status at <http://www.dom.com>. To check via computer, smart phone or mobile devices, you need the 10-digit telephone number associated with the account and the last four digits of your Social Security number, or PIN.

Verizon: For information and to report damage to Verizon equipment, report downed telephone lines or poles – call 1-800 837-4966, website <http://www.verizon.com/outage>

As always, please get in touch with my office if we can assist with any difficult situations that might arise. We will monitor our [Hunter Mill e-mailbox](mailto:hntmill@fairfaxcounty.gov), our Facebook page ([facebook.com/huntermill](https://www.facebook.com/huntermill)), and telephone (703-478-0283) throughout this event.
